## Micro Sparkles

Turn 24-28 21/2" microchips into a sparkling $33^{\prime \prime}$ wall quilt with the addition of some background and a contrast for the star tips.

You'll need $1 / 2 y d$ of contrasting fabric for the star tips \& binding and $11 / 4 y d s$ of background fabric.

# Micro Sparkles 

Designed by Patti Carey

Turn 24-28 $21 / 2^{\prime \prime}$ microchips into a sparkling $33^{\prime \prime}$ wall quilt with the addition of some background and a contrast for the star tips.

Finished size: $33^{\prime \prime} \times 33^{\prime \prime}$
Skill level: Intermediate
Quilt details: (25) 3/4" finished blocks and 2" sashing
Cutting Instructions: wof = width of fabric $\quad \square=$ cut once diagonally $\quad \boxtimes=$ cut twice diagonally Label pieces as indicated.

| Fabric | Yardage | Cutting |
| :---: | :---: | :---: |
| A -Seasons or Stonehenge <br> Basics microchips | 1 pack of at least (24) 21/2" squares | $\diamond$ Select 24 squares for centers of stars; set aside (A1). For packs with more than 24 pieces, reserve remaining squares for block centers*. |
| B - contrasting solid for star tips \& binding | $1 / 2 y d$ | $\diamond$ Cut 4 strips 2" x wof; join end-to-end and press in half for binding. <br> $\diamond$ Cut 4 strips $11 / 2^{\prime \prime} \times$ wof; cut into ( 96 ) $11 / 2^{\prime \prime}$ squares (B1). <br> $\diamond$ Reserve scraps for block centers if required*. |
| C - background | 11/4yds | $\diamond$ Cut 7 strips $411 / 4 \prime$ x wof; cut into (60) $21 / 2^{\prime \prime}$ pieces (C3) and (50) $2^{\prime \prime}$ pieces (C2). <br> $\diamond$ Cut 2 strips $2^{\prime \prime} \times$ wof; cut into (50) $11 / 4^{\prime \prime}$ pieces (C1). <br> $\diamond$ From balance, cut (2) $63 / 8^{\prime \prime}$ squares $\square$ (C6), (3) $65 / 8^{\prime \prime}$ squares $\boxtimes(C 4)$ and (4) 27/8" squares $\quad$ (C5). |
| Backing | 11/8yds |  |

General Piecing: All seams are $1 / 4^{\prime \prime}$. Press toward darker fabric unless indicated.
Tip for aligning patches for sewing: When you have 2 patches to be sewn together and they are sloped at opposite angles, they are correctly aligned when they meet at the $1 / 4^{\prime \prime}$ seam line as shown at right. When you have 2 patches to be sewn together and only one is sloped at an angle, they are correctly aligned when they meet $3 / 8^{\prime \prime}$ from the edge as shown at far right. However, sew them together with a $1 / 4 \prime$ seam.

## Piecing the blocks (25):

1. *From the reserved remaining Fabric A squares (up to 7 ) and the Fabric B scraps, cut a total of (25) $1 \frac{11 / 4}{}$ squares.
2. Sew a C1 piece to opposite edges of each $11 /{ }^{\prime \prime}$ square; press seam toward square.

3. Sew a C2 piece to long edges of each unit from step 2; press seams toward square. Blocks should measure $41 / 4^{\prime \prime} \times 41 / 4^{\prime \prime}$ edge-to-edge.

## Sashing units:

4. Draw a diagonal line from corner to corner on the back of each B1 square.
5. Lay a B1 square face down in one corner of each C3 piece; sew along drawn line and trim corner $1 / 4 / 4$ beyond seam line. Press seam toward corner.
6. Repeat, adding a B1 square to adjacent corner as shown. Set
 aside 24 units (2B1).
7. Repeat steps 2 and 3 to add a B1 square to remaining corners of the remaining C3 pieces as shown. Make a total of (36) 4B1 units. Units should measure 414" $\times 21 / 2^{\prime \prime}$.

Make (24) 2 B1 units

Make (36) 4B1 units

## Assembly:

8. Using the layout diagram as a guide, arrange the blocks onpoint in 5 rows of 5, leaving space for sashing pieces.
9. Insert the 4B1 sashing units between blocks and insert the A1 squares at sashing intersections. Add the 2B1 sashing units to outer block edges, having the B1 (star tip) end adjacent to an A1 square. Add the C4 and C5 triangles at outer edges.
10. Sew into diagonal rows, pressing seams toward blocks/A1 pieces. Sew rows together, nesting seams at intersections and pressing seams toward block rows.

11. Center and sew a C6 triangle to each corner.

Finishing:
Layer the prepared backing, a $38^{\prime \prime} \times 38^{\prime \prime}$ piece of batting and the quilt top. Baste and quilt as desired. Trim edges even with quilt top. Sew the prepared binding to the edges with a $1 / 4$ " seam, turn and stitch in place.
Enjoy your new quilt!
